

ROCCO FORTE  
HOTELS

## OUR SUITES

Every Rocco Forte Hotels suite is carefully created to give our guests an extraordinary experience of the city.

Designed by Olga Polizzi, each suite is inspired by its location, celebrating the history of the building, the culture of the city, or the distinguished guests who have resided at the property. Original features are carefully restored and combined with the latest technology, creating a distinctive style that is both classic and contemporary. Every item is hand-picked: from the collection of artworks and library of books that reflect the growth of the cities through time, to the comfortable beds and armchairs from which to enjoy them.

We've updated our Rocco Forte Suite Experience to help you enjoy your stay even more. The convenience of in-suite check-in. Complimentary breakfast. Personalised Concierge services during your stay. We'll help you unlock every city secret, with bespoke experiences tailored to your interests and passions. Book a Rocco Forte Hotels suite and enjoy a collection of new benefits across our three suite categories.

Rocco Forte Hotels is different. Our hotel in Berlin is called Hotel de Rome. Our hotel in Rome is the Hotel de Russie. Each hotel is individual because each city is unique.

Our hotels are landmarks right at the very heart of the city, except for our resort, which is suitably remote. They're as much a part of each location's landscape as the Spanish Steps in Rome or St Isaac's Cathedral in St Petersburg. They're colourful, characterful buildings with interiors that resonate with the local culture.

While each of our hotels has its own personality, our exacting standards ensure a personal and attentive service that unites them all. As a family who has been in hospitality for four generations, we have a warm-hearted approach that is embraced by our hotels.

## YOUR HOSTS: THE FORTE FAMILY

Our style of service is about being true to our hotels, to our heritage, and to our city. We have done things this way for four generations. You might say it's in our blood.

We are a family of individuals, and our hotels, like us, are all individual too.
