BETWEEN THE CITY AND THE SEA ...

In much more than name, Rocco Forte Hotels is the Forte family. At its helm are Sir Rocco, his sister and his three children. Behind it are four generations of Forte hoteliers. It is in every way a family business, a shared love felt in every Rocco Forte hotel.

It is fitting, then, that Villa Igiea was once a family home: an enchanting art nouveau palazzo transformed by Sicily's Florio family into an epicentre of Belle Époque society. Perfectly placed between Palermo city, Mount Pellegrino and the Tyrrhenian Sea, Igiea became a seaside sanctuary for royalty, dignitaries and Hollywood luminaries.

Today it has been brought back to life by the Forte family, infusing its golden age allure with the lively spirit of modern Palermo. Lovingly restored, the storied palazzo's unique beauty is revealed, fusing local crafts, heritage features and contemporary comforts. Seasonal Sicilian cuisine by Fulvio Pierangelini and an Irene Forte Spa complete the revival of Villa Igiea's heyday.

From this privileged position, guests can launch into Palermo's bustling markets and Baroque palaces. Launch off the port for sunny days at sea. Into the island's ancient sites and rugged landscape. Then back to the serenity of Villa Igiea's sweeping seafront gardens to take their place in history.

The Forte Family, L-R:
Irene Forte, Wellness & People Development
Lydia Forte, Bar & Restaurant Development
Charles Forte, Director of Development
Olga Polizzi, Deputy Chairman & Director of Design
Sir Rocco Forte, Founder & Chairman

Designed by esteemed Palermo architect Ernesto Basile, the 19th-century palazzo was bought by the Florio dynasty in 1899

Sicilian history meets signature Rocco Forte hospitality at Villa Igiea, a landmark Italian destination once again

The palazzo is perfectly placed to dip into the life and soul of Sicily's capital – and out again to unwind at this seafront retreat

"Villa Igiea is an iconic hotel with the Florio family at its origin. I am delighted that my family has its place in the building's marvellous history"

Sir Rocco Forte

Every care has been taken by designers
Olga Polizzi, Paolo Moschino and
Philip Vergeylen to honour Igea's origins

A love letter to their location, interiors are infused with the colours of the sea, sand and Sicilian stone, local antiques and artisanal Italian furnishings

Opening onto the Tyrrhenian Sea, terrace rooms and suites offer Mediterranean views and gentle sea breezes

“Villa Igiea is one of the original truly grand hotels of Europe and now I feel it has been reborn as one of our most beautiful hotels”

Olga Polizzi

Named after the hotel's founding family, Florio restaurant serves fresh, flavourful, local fare under the direction of Michelin-starred Fulvio Pierangelini

Bar 'maestro' Salvatore Calabrese has created a Spirit of Igiea cocktail menu inspired by Sicilian flavours and the stories of past guests

Outside, Igiea Terrazza Bar offers the opportunity for al fresco aperitivo overlooking the Gulf of Palermo

Piazza Pretoria, Palermo: one of the many architectural ornate squares that define this vivacious capital city
