ROCCO FORTE EVENTS

Our Silver, Gold and Platinum packages are designed to make event planning easy. Simple contracts and timely responses. Meeting amenities. A wealth of menu and refreshment choices. Imaginative and creative serving options.

Our tailored approach means every event is individual. Just like our hotels. We've done things this way for four generations and we know what it takes to host successful meetings and events.

JOIN US FOR COFFEE

We've re-imagined the meeting experience, starting with the most important elements. A really good cup of coffee. Refreshing herbal infusions. Premium teas with fresh lemon and orange slices. Freshly squeezed juices. Our Italian coffee, made-to-order from our barista, will set the tone for your truly memorable event.

FOOD FOR THOUGHT

We've created four distinct menus with celebrity chef Fulvio Pierangelini. Rocco Forte Nourish, Rocco Forte Classics, Regional Recipes and Restaurant Cuisine.

Seasonal high-quality menus. Healthy meals and snacks. Beautifully presented, our menus are designed to nourish, energise and inspire.

OUR FIVE EVENT SPECIALISATIONS

From a grand gala to an intimate boardroom meeting, we can host events of all kinds and scale. We also specialise in five event specialisations – conferences, executive meetings, incentives, car and product launches and roadshows.

Whatever the occasion, we'll deliver a level of service and attention to detail that is unsurpassed.

TREAT YOUR DELEGATES

Book our Platinum package and treat each of your delegates to a relaxing spa experience. Entertain in style with a party in one of our Presidential Suites. Bring the team together and discover culinary secrets in a private cooking lesson with one of our chefs.

Whatever you desire, Rocco Forte Events will help you create just the right impression.
