

BROWN'S HOTEL
LONDON

“The best thing to hold onto
in life is each other.”

AUDREY HEPBURN

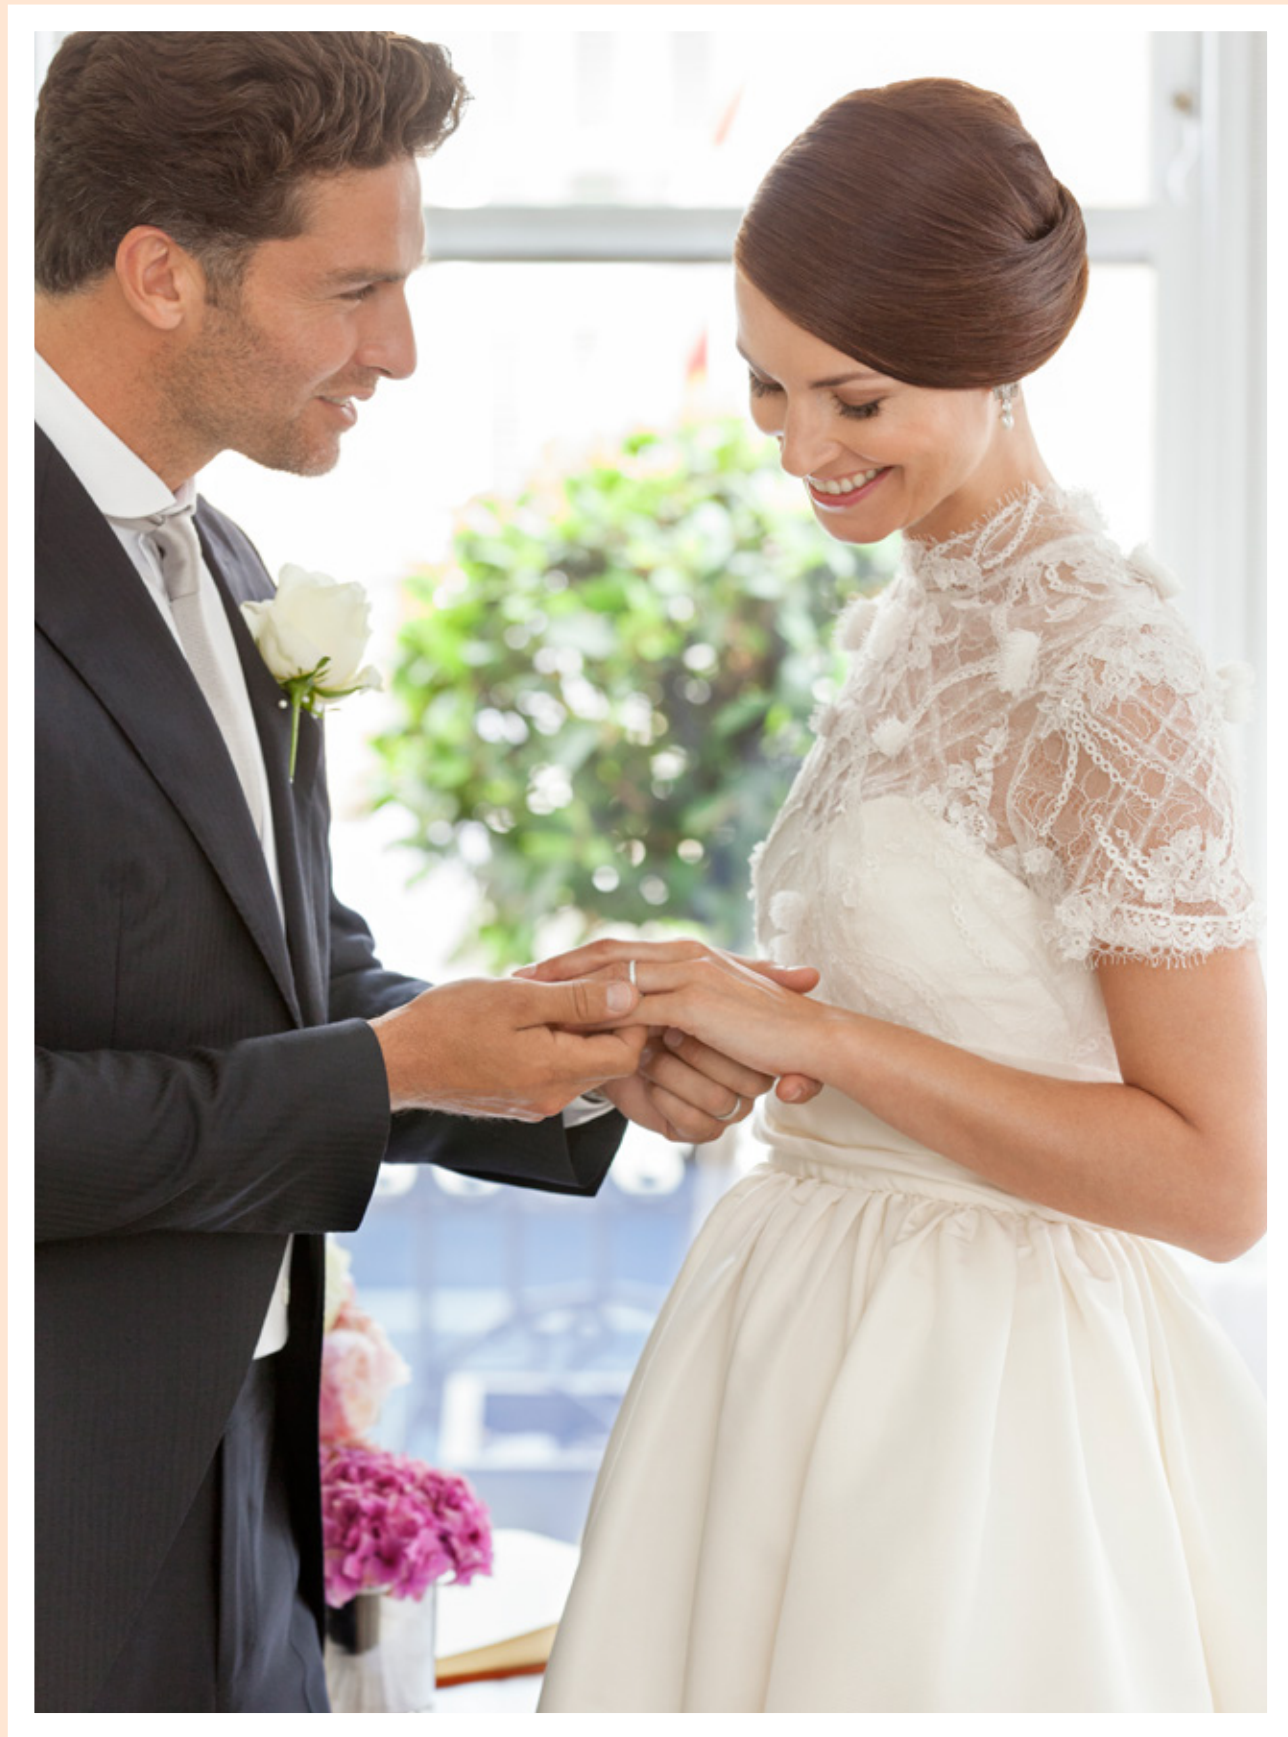

THE MORNING

The big day has finally arrived. In the heart of Mayfair, the wedding party is getting ready in one of the luxurious signature suites at Brown's. There is anticipation and excitement in the air as Champagne corks pop and hair-dryers whirl. The hotel team behind the scenes is laying the tables, arranging the flowers and adding the final bespoke touches to the decor that will make this wedding unique.

The team at Brown's Hotel is dedicated to making every wedding truly memorable. We take the worry out of the organisation, providing personalised five star service.

The Spa at Brown's Hotel offers a range of relaxing and enhancing beauty treatments, perfect to prepare the Bride and her party for the busy day ahead.

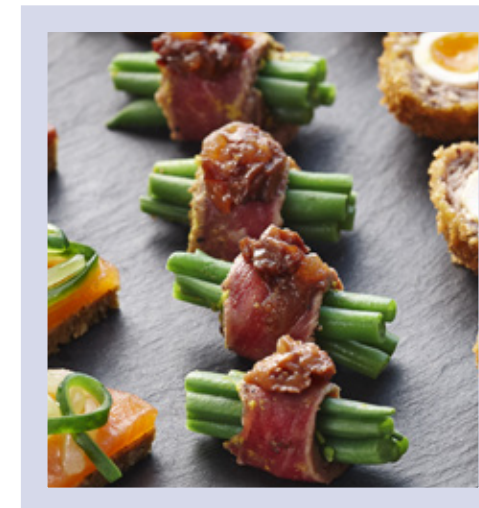

THE CEREMONY

Licensed for both marriages and civil partnerships, Brown's Hotel is a distinctive London wedding venue for a special celebration for up to seventy guests. All our private rooms enjoy an abundance of natural daylight, high ceilings and beautiful antiques. Brown's harmoniously blends its historical features with contemporary elements, to create a stylish and elegant setting for every occasion. Your event will be tailor-made to your specific requirements, with special attention being given to the small details that make a difference.

HISTORICAL FACT: *In 1886, Theodore Roosevelt stayed at the hotel before his marriage to Edith Kermit Carow, which took place at St George's in Hanover Square. A copy of the marriage certificate still hangs in the hotel today and on it one can see that the occupation of the future President of the United States is given simply as – ranchman. The Roosevelt Room on the first floor of Brown's Hotel is named after this great guest.*

CELEBRATIONS

Whether you opt for a string quartet or an international DJ, we have the contacts to recommend the absolute best to suit your style. The Niagara Room has been home to many high-profile parties through the years. Connected to the Roosevelt Room, it is the ideal location for receptions of up to 120 guests. For an even more romantic backdrop, The Clarendon Room is lined with delicate hand painted wallpaper featuring words from the poem ‘*A way through the woods*’ by Rudyard Kipling.

Brown’s has a wedding package for any size of celebration. Each one is specially prepared to provide everything you need for your big day. Ask for details — we will be happy to help.

The happy couple will be invited to stay in a suite at Brown’s for the first night of their marriage.
