## TENNIS ACADEMY

Take tips from the professionals at the Sunball Tennis Academy.  
Players of all ages and abilities are welcome to join our courses, have private and group lessons or alternatively play at their leisure with friends and family.

Our tennis instructors will unveil secret tips from the likes of Nadal and Federer.  
The Academy also hosts guest tournaments, special tennis camps and events with famous ex-professionals.

### CLUBHOUSE AND FACILITIES

We have a Clubhouse with drinks and energizing snacks, a tennis shop with the latest tennis brands, as well as equipment available to rent. We also have six clay tennis courts to choose from.

### SUNBALL TENNIS

Sunball is an International Tennis School that has been at Verdura since 2009. Training methods are based on the ITF's (International Tennis Federation's) *Play & Stay* concept. This focuses on areas such as coordination, ball feeding, team spirit and movement. In this way, players can learn the basics of tennis with age appropriate equipment.
