CHIARO BAR

☐ The stage is set for an unforgettable act at Chiaro Bar. You'll find us at Hotel de Rome, nestled behind the walls of what was once the Dresdner Bank, within a space infused with history.

☐ Composed by our bar team, cocktails span the classic to contemporary, bringing together an international spectrum of ingredients and unique sources of inspiration. An extensive selection of spirits and digestifs chart a course through global producers and showcase some of the world's best labels. Whatever your choice, an exceptional journey of taste is guaranteed.

☐ Soak up views of Bebelplatz, at the beating heart of Berlin, while the sounds of the Staatsoper opera house, our esteemed neighbour, create an ambient soundscape.

STAATSOPER BERLIN

¶ For over 250 years, Staatsoper Unter den Linden has been a pivotal landmark in Berlin's cultural landscape. Commissioned by Frederick the Great, it was designed to echo the grandeur of an ancient temple, and was recognized as Europe's largest opera house when it opened. It has seen performances by some of Opera's most legendary figures, including Dame Joan Sutherland and Dietrich Fischer-Dieskau.

¶ The signature cocktail menu at Chiaro Bar is an homage to this rich artistic heritage, created in collaboration with our esteemed neighbour. It celebrates the diverse and dynamic worlds that have been brought to life on the Staatsoper's stage. Each drink is inspired by the operas and the emotions they evoke, offering a taste of musical history.

The image features a dark, textured background, possibly a wall or a large piece of fabric, with a rich, mottled brown and black color palette. On the left side, a hand is visible, gripping a thin, light-colored rope. The hand is positioned near the top left corner. At the bottom left, there is a section of a yellow, crinkled tarp or plastic sheeting, which is secured with a metal fastener or hook. The overall scene suggests a construction or renovation project in a dimly lit environment.

SIGNATURE FOOD

Let yourself be inspired by a special journey in which we combine a love of Italian cuisine with a passion for music. Savour the culinary taste of great composers and experience the interplay of excellent food and great art.

TSCHAIKOWSKY

Caviar was one of Tschaikowsky's absolute favourite ingredients. Whether served classically with blinis or interpreted, as with the dipped scallops, Amalfi lemon juice and potato.

Scallop Ceviche, Lemon, Potato, Caviar *C,D,G,R* 35

BEETHOVEN

Beethoven loved simple pasta with cheese. We, on the other hand, complement our homemade tonnarelli 'Cacio e Pepe' with lobster.

Tonnarelli 'Cacio e Pepe', Lobster *A,B,G,H* 58

PUCCINI

A typical Tuscan dish that Puccini loved to eat is the 'Bistecca alla Fiorentina'. It is served in its purist form with olive oil, salt and pepper.

Grilled Veal T-bone Steak, Rosemary Potatoes, Broccolini *G* 47

MOZART

When you think of Mozart, you think of all his works as well as the sweet little chocolate ball. The parfait on a stick is the perfect companion on the way to the opera and therefore the overture for the next few hours.
