

THE CHARLES HOTEL
MUNICH

A ROCCO FORTE HOTEL

A GUEST OF THE FAMILY

In much more than name, Rocco Forte Hotels is the Forte family. At its head are Sir Rocco, his sister Olga and his three children. Behind it are four generations of Forte hoteliers.

It is in every way a family business; a shared love evident in every Rocco Forte hotel – each exuding the Forte’s innate Anglo-Italian style, sophistication and warmth.

Named after Sir Rocco’s father, Munich’s Charles Hotel is Forte from its title to its spirited international team, who uphold the group ethos of anticipating individual needs, forging genuine rapports and always exceeding expectations. Its aesthetic has the

Forte imprint: Olga Polizzi’s innovative interpretation of the hotel’s heritage weaves Bavarian art, stone and ceramics into clean lines, soft creams and greens – bringing the outside in with living trees and botanical designs.

Verdant inside and out, The Charles is a hotel for all seasons, all wants. For summer, the elegant, leafy terrace of Sophia’s restaurant. For winter, glühwein and roasted chestnuts. Commodious rooms, a central location and tailored facilities for business and for leisure. For culture, a prime position bordering Munich’s museum quarter, Schwabing’s artistic hub and Maximilianstraße’s chic boutiques. An important cosmopolitan address for Bavaria’s capital and the Rocco Forte family.

A large, colorful coral sculpture is visible on the right side of the pool. The room has large windows and a high ceiling with recessed lighting. A metal handrail is visible in the foreground, leading into the pool.
