WELCOME

Welcome to our Rocco Forte Meetings and Events Directory.

Rocco Forte Hotels is about personalising the service to our customer's needs and this applies as much to groups as to individual customers. We are a family owned and run business, my sister Olga, my daughters Lydia and Irene, and son Charles are deeply involved in the detail of the business so we ensure that everything we do in our hotels is tailored to our customer's specific requirements.

Our event teams are split into their own specialist areas covering executive meetings, conferences, incentives, car and product launches and roadshows, so bookers and planners are working with experts in each field.

We are a family that has been involved in hospitality for four generations; we have a warm hearted approach which you will feel in the welcome you receive at our hotels.

Sir Rocco Forte
Chairman and CEO
