SWIMMING ACADEMY

Babies and Kids can enjoy swimming lessons with our professional instructors in Verdùland’s heated pool. Lessons range from simply exploring the water and starting to feel comfortable in it, to getting comfortable with different swimming styles such as backstroke, front crawl and butterfly, to becoming a speedy and stylish swimmer.

TEennis ACADEMY

Sunball, an International Tennis School that has been at Verdura since opening, manages the Tennis Academy for Kids and Teens. Training methods are based on the ITF’s (International Tennis Federation’s) Play & Stay concept. This focuses on areas such as coordination, ball feeding, team spirit and movement. In this way Kids and Teens can learn the basics of tennis with age appropriate equipment whilst still enjoying lots of action.
