

BROWN'S HOTEL
LONDON

A ROCCO FORTE HOTEL

A GUEST OF THE FAMILY

In much more than name, Rocco Forte Hotels is the Forte family. At its head are Sir Rocco, his sister Olga and his three children. Behind it are four generations of Forte hoteliers.

It is in every way a family business; a shared love evident in every Rocco Forte hotel – each exuding the Forte's innate Anglo-Italian style, sophistication and warmth.

At Brown's – a legendary London hotel and a cornerstone of the Rocco Forte family – you are their guest. You will feel their signature style as you walk in the door. You will feel it in the open, intuitive service that knows each guest – each need, want and favourite table – personally. You will feel it in Olga Polizzi's visionary aesthetic: an ever-evolving marriage of classic and contemporary, hotel and home, elegance and entertainment.

You will also feel a strong sense of place. Of London. Mayfair – and the city's most celebrated galleries, restaurants, parks and shopping streets. Tradition, cut with a spirited English humour and cosmopolitan twist: playful touches, modern artworks and a fresh, unfussy ease among the wood panels, smart suits and afternoon teas. The glamour and gaiety the iconic address deserves, and the quality and charm the Forte name assures.
