The taste of autumn at Le Jardin de Russie

As the trees in our Secret Garden shed their leaves, nutty pumpkins, buttery chestnuts and oaky truffles offer a tantalising taste of new dishes inspired by autumn in Rome.

Brought to you by renowned Chef Fulvio Pierangelini, three new culinary sensations, available each week in addition to our a la carte menu, unearth the savory taste of mushrooms and delectable root vegetables.

Sample sweet persimmons and tangy pomegranates in a celebration of the best seasonal ingredients that pop up at harvest time.
