

FAMILIES AT
ROCCO FORTE HOTELS

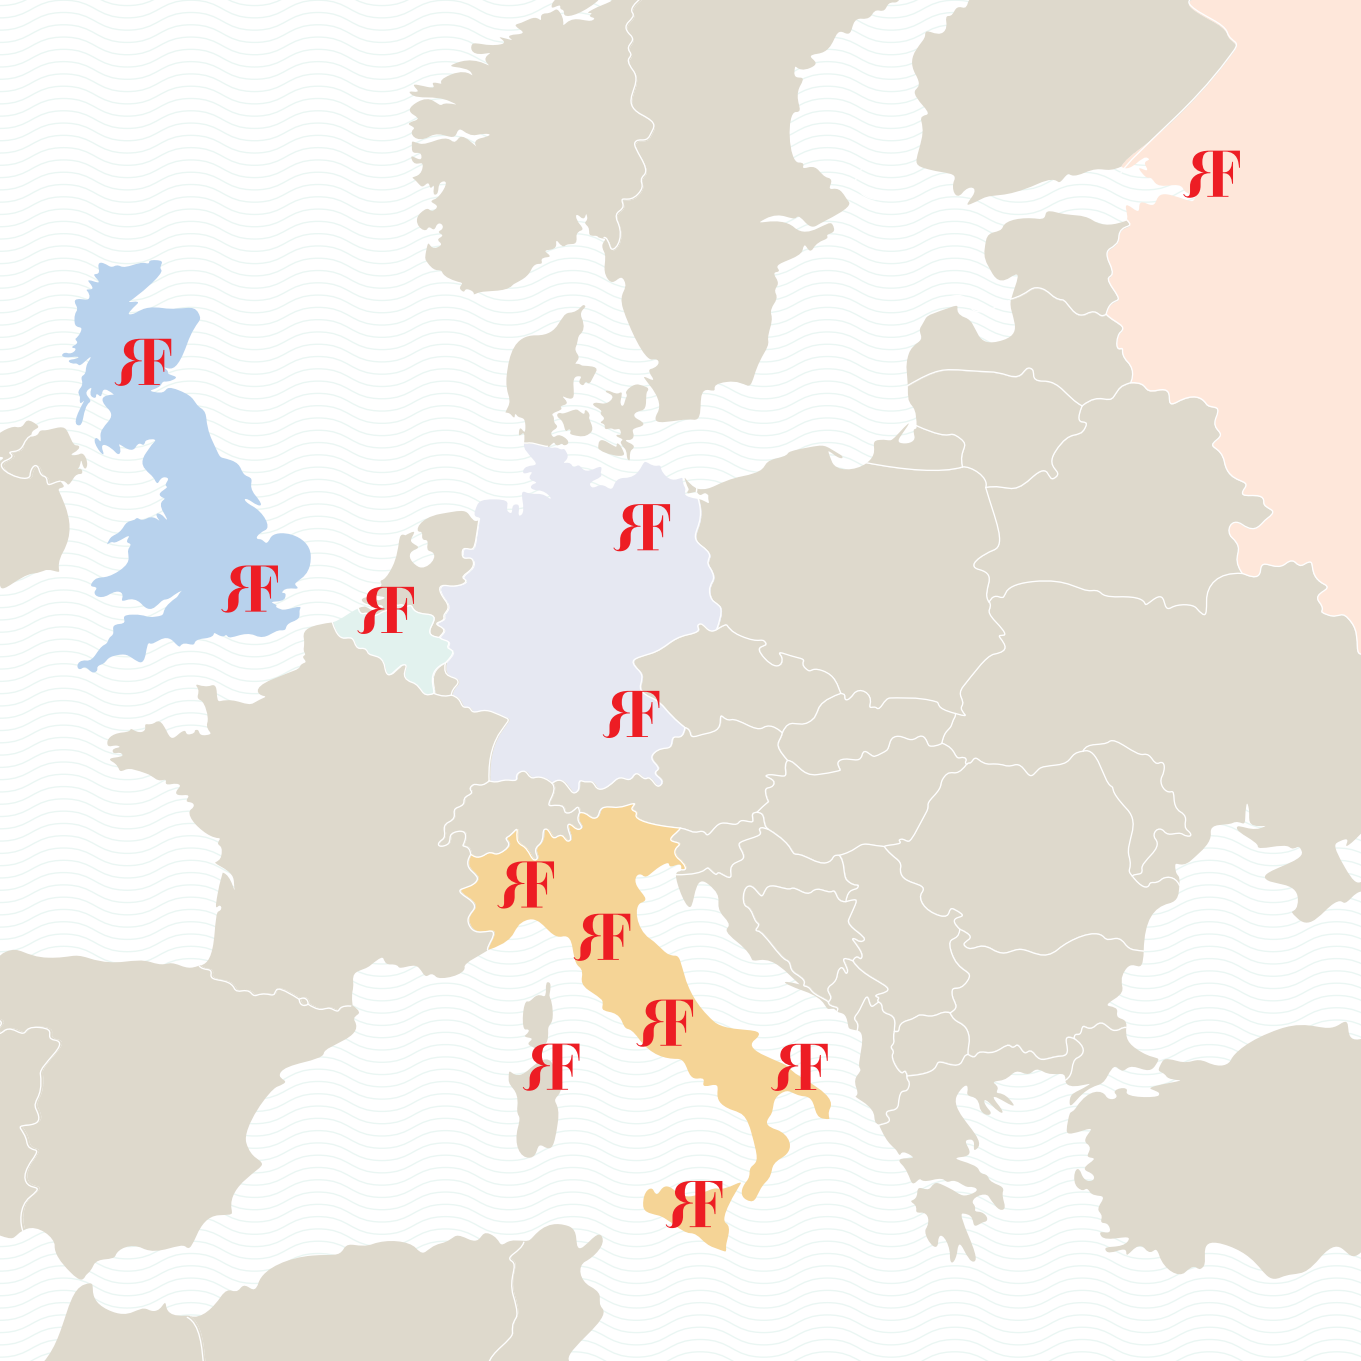

We understand families at Rocco Forte Hotels.

We understand that parents like to spend time with their children – and we also know that sometimes they need time to themselves.

We understand that every family has its own needs – we help them all make the most of their stay.

WHERE TO FIND US

We have twelve hotels and two resorts. Each hotel is perfectly located to explore the best of the city. Most of the famous sights are a short stroll away. Our spacious Sicilian resort offers endless activities where children can learn a new hobby or perfect an existing one. It's also a perfect base from which to explore the island's many sights.

Our family programme ensures younger guests will be just as pampered as the grown-ups. We welcome children of all ages – our programme is tailored for babies, kids and teens.

Within our hotels, there are details that children will love, from personalised check-in cards and welcome treats to pint-sized bathrobes and cuddly toys. Older guests can enjoy bespoke itineraries created by our Concierge team, special spa treatments or interactive entertainment in their rooms.

Older children can expect a kitchen for cooking lessons, a video games room, a TV room, a gymnastics corner, a science lab and an outdoor space with a vegetable garden and a heated pool. ABOUT US

Rocco Forte Hotels is different. Our hotel in Berlin is called the Hotel de Rome. Our hotel in Rome is the Hotel de Russie. Each hotel is individual because each city is unique.

Our hotels are landmarks right at the very heart of the city, except for our resort, which is suitably remote. They're as much a part of each location's landscape as the Spanish Steps in Rome or the Grand-Place in Brussels. They're colourful, characterful buildings with interiors that resonate with the local culture.

While each of our hotels has its own personality, our exacting standards ensure a personal and attentive service that unites them all. As a family who has been in hospitality for four generations, we have a warm-hearted approach that is embraced by our hotels.
