Our  
Forte

*A Guest of the Family*

In much more than name, Rocco Forte Hotels  
is the Forte family. At its head are Sir Rocco,  
his sister Olga and his three children.  
Behind it are four generations of Forte hoteliers.  
It is in every way a family business; a shared love  
evident in every Rocco Forte hotel – each exuding the  
Forte's innate Anglo-Italian style, sophistication  
and warmth. And each welcoming you as  
a guest of the family.

HOTEL DE RUSSIE  
ROME

Deemed paradise on Earth by Jean Cocteau; beloved by Picasso; home to Rome's liveliest aperitivo – Hotel de Russie's tiered terraces and Secret Garden are as fêted as its neighbours, Piazza del Popolo and the Spanish Steps. Inside, feel openness and ease among its Roman sculptures and Italianate mosaics. Serenity and privacy within the buzzing Eternal City. And Rome's cinematic dolce vita air infusing the hotel.

Hotel de Russie was designed in the early 1800s by architect Giuseppe Valadier, who also developed Piazza del Popolo, which the hotel overlooks

Jean Cocteau and Pablo Picasso stayed at Hotel de Russie, in adjoining rooms, while preparing to stage the first ever Cubist ballet in 1917

HOTEL DE LA VILLE  
ROME

A vibrant, modern-day icon atop the Spanish Steps, no building commands its city like Hotel de la Ville. From its peerless position, the lively 18th-century palazzo at once embodies and overlooks life in the Eternal City. The confluence of classical Roman romance and contemporary cool, sweeping city views, buzzing drinking and dining spots and fresh, zestful design make for Rome's most exciting destination. Fall for its enchanting courtyard, exquisite food from Fulvio Pierangelini, effervescent rooftop bar, street-side café and celestial Sicilian spa.

From hosting the evening's aperitivo to al fresco dinners at Cielo

The Sicilian-inspired Irene Forte Spa, complete with Rasul, salt room, hydropool and state-of-the-art gym

## ROCCO FORTE HOUSE

PIAZZA DI SPAGNA, ROME

At Piazza di Spagna, five palatial private suites within an 18th-century palazzo. Above, a stately roof terrace surveying the Spanish Steps. Inside, elegant, opulent design by Tommaso Ziffer and Olga Polizzi. A dedicated house manager on hand. Unbridled access to spas, bars and Fulvio Pierangelini restaurants of Rome's foremost hotels: Hotel de la Ville and de Russie. The intimacy and exclusivity of a private home; the mark of quality of a Rocco Forte hotel. A contemporary proposition, built on Rocco Forte's rich Italian tradition.

Sat on one of Rome's centremost streets, Via Babuino, Rocco Forte House counts Piazza di Spagna and the Spanish Steps as neighbours

Inside: palatial living quarters and one-of-a-kind interiors; outside: sun-soaked terraces and panoramic Roman vistas

MASSERIA TORRE MAIZZA  
PUGLIA

A 16th-century farmhouse transformed into an intimate Apulian hotel, Masseria Torre Maizza is a Rocco Forte hotel like no other. Between Fasano, Alberobello and the sparkling Adriatic Sea – among sun-soaked countryside, olive, orange and lemon groves, verdant gardens and vivid bougainvillea – find the charm and character of Puglia. Find remarkable, regional cuisine from Fulvio Pierangelini. Find a spa, golf course and private beach club. And find an invocation to explore and restore amid the rustic romance of southern Italy.

In the heart of the hotel's walled gardens, a poolside bar and restaurant for savouring Puglia's fresh food in the open air

Beach club – our private stretch of sand on the Adriatic Coast

HOTEL SAVOY  
FLORENCE

Its status long established, for centuries Hotel Savoy has watched Florentines and visitors flock through its doors; watched the Duomo and Piazza della Repubblica through its windows.

Today, this legacy meets modern luxury. Find exciting Tuscan cuisine and inventive cocktails. Refreshing bursts of whimsy and Italian fashion beside Renaissance art. Service that updates old-world discretion with passion and personality. A contemporary entrée into a city steeped in history.

Built in 1893 on the former site of the Mercato Vecchio and church of San Tommaso, Hotel Savoy's centrality and conviviality quickly made it the city's top hotel

Playful artworks and design touches throughout the Savoy are inspired by the Florentine tradition of fine fashion and craftsmanship

VILLA IGIEA  
PALERMO

Villa Igiea: a turn-of-the-century palazzo between vivid Palermo, Mount Pellegrino and the Gulf of Palermo – and a long-loved sanctuary for royalty, dignitaries and Hollywood luminaries. Trace their paths through tiered villa gardens that sweep down to the port; on trips to Palermo’s bustling markets and Baroque palaces; and through Igiea’s palatial Art Nouveau interior, revitalised as a Rocco Forte hotel.

Design from Olga Polizzi, Paolo Moschino and Philip Vergeylen heroes local craftsmanship: handmade tiles, Sicilian stone and tailor-made rugs

The 19th-century villa's verdant gardens sweep down to the sea, prime for coastal voyages and adventures

VERDURA RESORT  
SICILY

230 hectares of sun-blushed Mediterranean coastline and countryside on Sicily's stunning south-west coast – Verdura is an oasis. Its vast scale and escapist atmosphere afford endless indulgence and choice. Choice to unfurl in its capacious spa, or lap its infinity pool. To play tennis in its orange groves. It's your decision, at the family's invitation.

Verdura's coastline sits just west of the charming Baroque village of Sciacca; fish comes fresh from the local market, oil from Verdura's own gardens

Designed by Olga Polizzi, Paolo Moschino and Philip Vergeylen, the apartments are set in a carefully refurbished 19th century palazzo on the corner of Via della Spiga in the Quadrilatero della Moda. A dedicated House Concierge is always on hand to ensure every detail is taken care of.

Each of the 11 apartments are decorated in a distinct style. Some have private balconies and terraces.

The first-floor Brera apartments have original frescoes and carved mantelpieces

BROWN'S HOTEL  
LONDON

Brown's: 11 Georgian townhouses transformed into a legendary London hotel. Ushered in from Albemarle Street – amidst the city's most celebrated galleries, restaurants, parks and shops – feel tradition, cut with a spirited English humour and cosmopolitan twist. Playful touches, modern artworks and a fresh, unfussy air among wood panels, smart suits and elegant afternoon teas. The glamour and gaiety the iconic address deserves, and the quality and charm the Forte name assures.

Considered *the* London hotel for visiting creatives, everyone from Tolkien, Conrad and Waugh to Welles and Olivier have enjoyed the renowned restaurant and award-winning bar at Brown's

The Kipling Suite, right, honours one of the hotel's greatest fans, Rudyard Kipling, who wrote The Jungle Book and celebrated his wedding at Brown's

THE BALMORAL  
EDINBURGH

A welcome in bespoke Balmoral tartan; Hebridean blues, heather hues and classic Scottish art; whisky ambassadors with 500 malts. The Balmoral is a love letter to Scotland, clearly written in the Forte hand. It is a landmark, a symbol of the city, at Edinburgh's most prestigious address: 1 Princes Street, gazing up to the castle. A breathtaking building, at an unparalleled address, helmed by a devoted team – a true Rocco Forte hotel.

Modern Scottish dining at Number One restaurant and over 500 unique varieties of Scottish Whisky at SCOTCH

The Balmoral's rooms enjoy unrivalled views of Edinburgh icons the Scott Monument and Edinburgh Castle

THE CHARLES HOTEL  
MUNICH

Verdant inside and out, The Charles is a hotel for all seasons, all whims and wants. For summer, the leafy terrace of Florio restaurant. For winter, glühwein and roasted chestnuts. For culture, a prime position by Munich's museum quarter, Schwabing's artistic hub and Maximilianstraße's chic boutiques. For relaxation, commodious rooms and a lavish spa. For design, Bavarian ceramics and art framed next to living trees. And for Bavaria's capital, a charismatic, cosmopolitan gathering place.

Florio serves classic Italian cuisine in a verdant garden setting.

The Charles Hotel was the first Rocco Forte hotel designed and built by the family. Their Monforte Royal Suite is named after Lord Forte's Italian birthplace

HOTEL DE ROME  
BERLIN

An elegant outpost in an aching cool city.

A sleek hideaway in the animated Mitte district. An imposing former bank outside; a relaxed, intimate interior. Like Berlin itself,

Hotel de Rome excels at unifying opposites. Face-to-face with the State Opera, a stroll from Museum Island, with a rooftop oasis that quietly observes it all. A serene space in the core of an up-all-night city – the perfect place from which to explore or escape it all.

The former bank's original architecture meets contemporary Berlin design: marble columns, modern art and the jewel vault's subterranean spa

Hotel de Rome takes its name from a renowned inn that once sat on Bebelplatz, the striking square which many rooms and suites overlook

HOTEL AMIGO  
BRUSSELS

Part of the city's fabric for 500 years, Amigo presides over Brussels's charming cultural centre. Its windows look up to the Hôtel de Ville's spire; cobbled streets below wind their way to the Mont des Arts or Le Sablon's antiques; locals wind their way here.

Inside, Flemish art and furnishings honour its address, while service – whether entertaining a family in the Tintin Suite or catering to royalty on a rooftop terrace – honours the signature Forte style: memorable, comfortable and tailor-made.

Converted to a grand hotel for the 1958 Brussels World's Fair, the Amigo remains a prime meeting place for its sociable air and central spot

The top-floor Grand-Place Suite, named after the hotel's founders, enjoys artwork from the Blaton family's private collection, and a vast terrace

HOTEL ASTORIA  
ST PETERSBURG

A veritable St Petersburg icon, directly on St Isaac's Square, Hotel Astoria has seen every major Russian event of the last century. Its style – warm and witty with a dash of drama – honours this postcode, as Tsarist antiques nestle James Bond stills. And its visitors honour its past: proudly raising a cold glass of vodka (or afternoon teacup) to the many eminent guests who've done so before.

Beloved for its inventive Russian restaurant, 24-hour bar and afternoon tearoom, the Astoria has played host to everyone from Rasputin, Lenin and Bulgakov to The Doors, The Rolling Stones and Pavarotti

In the 1930s, the Astoria became a sanctuary for writers, artists and musicians; the same parquet flooring still runs through its rooms and suites
