A ROCCO FORTE HOTEL

A GUEST OF THE FAMILY

In much more than name, Rocco Forte Hotels is the Forte family. At its head are Sir Rocco, his sister Olga and his three children. Behind it are four generations of Forte hoteliers.

It is in every way a family business; a shared love evident in every Rocco Forte hotel – each exuding the Forte's innate Anglo-Italian style, sophistication and warmth.

Like Berlin itself, their Hotel de Rome embodies a flair for unifying apparent opposites. That means service that is friendly and familiar, but unobtrusive. It means a grand façade – a 19th-century former bank – which belies a relaxed, intimate atmosphere.

Design by Tommaso Ziffer and Olga Polizzi that integrates sleek, modern styling into a venerable space; the ease of your own apartment in a luxury hotel.

This happy blend of contrasts gives you an elegant outpost in an achingly cool city; a relaxed hideaway in the animated Mitte district.

Face-to-face with the State Opera, a stroll from Museum Island, with a rooftop oasis that peacefully observes it all. Inside, a former jewel vault becomes an ethereal spa, a cashier's hall becomes a mosaicked ballroom, and a historic building becomes a serene space in the core of an up-all-night city – the perfect place from which to embrace, explore and escape it.

The bank's original marble columns meet contemporary Berlin design; here, an Olivia Steele neon birdcage in the hotel lobby

"It's a strong classical building, which in its severity, allows a contemporary interior reflecting the buzz, youth and glamour of Berlin"

Olga Polizzi

The 200m² Royal Bebel Suite emulates a turn-of-the-century Berlin apartment, complete with library and vast balcony overlooking Bebelplatz

Roman-born, Tuscan-trained chef Fulvio Pierangelini – Creative Director of Food for Rocco Forte Hotels – brings simple, fresh, Italian flair to La Banca restaurant

A resident DJ, inspired cocktail menu and revolving modern art exhibition make La Banca Bar a buzzing after-hours spot

*"The bank's former vault makes for
a truly original spa experience"*

Irene Forte

Once the bank's jewel vault, a tranquil
subterranean pool offers a moment's quiet
in fast-paced Berlin
